Our office staff is available by phone every Monday through Thursday during business hours [8:00 to 5:30] [Lunch 12:15 to 12:45]. Any scheduling, billing, insurance, or medication inquiries can be made by telephone or in the office. If you need to leave a message for your physician or therapist directly, the front staff will document the information from the caller and give the message to your specified provider. We ask that you give your providers 24-48 hours to follow up with you directly. If the message is regarding a prescription refill, we also ask that you allow 24-48 hours for your refill to be called in. There is always a possibility there may be some delay time regarding your refill requests due to the physician's necessity to review the patient's chart thoroughly and determine course of action needed. If for some reason you call our office and your call goes unanswered, we ask that you leave a voicemail and allow our staff to call you back as soon as possible.

[COMMUNICATION RESPONSE TIME]

[APPOINTMENT POLICY]

Our office policy requires ALL appointments needing to be cancelled and/or rescheduled by 1:00 PM the day PRIOR to your appointment. We have this policy set in place so that our providers are given the opportunity to fill in any cancellations that may arise. If a patient cancels and/or reschedules an appointment LATER THAN 1:00 PM the day PRIOR to their appointment – that will be considered a LATE CANCELLATION. If a patient fails to cancel an appointment at all – this will be considered a NO SHOW. We also have a grace-period in which a patient may arrive at the appointment and still be seen. The grace period is as follows:

- Counseling, Occupational, and Physical Therapy has a 20-minute grace period.
- Medication Management has a 10-minute grace period.
- Speech Therapy is based on your scheduled appointment time. Please see your provider for additional information.

If a patient arrives after the grace period, the patient will not be seen by the provider. If a patient consistently arrives to their appointments late but within the grace period, their provider will address this issue with them. Our policy is that if a client accumulates 2 consecutive late cancellations/no shows or 4 total late cancellations/no shows in a 12-month period beginning at the initial appointment, the provider then has the right to refer the patient to another mental health facility and terminate services within Desoto Family Counseling and Pediatric Therapy Center. If a patient ever wants to dispute that an appointment was cancelled within the time stated by our policy, we ask that you address the matter with your provider and in turn the solution can be passed on to our front staff.

If you have read, and agree to, all the terms regarding our appointment cancellation policy please sign below.

All PT/OT/ST sessions will be rendered in a professional manner consistent with the ethical standards of the governing board over our professionals. If at any time you feel that the provider is not performing in an ethical or professional manner, we ask that you please let staff know. If we are unable to resolve your concern, DFCPTC staff will provide you with information to contact the professional licensing board that governs your provider. Due to the very nature of therapeutic services, as much as we would like to guarantee specific results regarding your therapeutic goals, we are unable to do so. However, with your consistent participation, our office will work to achieve the best possible results for you or your child. Please also be aware that changes made in therapy may affect other people in your life. For example, an increase in your assertiveness may not always be welcomed by others. It is our intention to help you manage changes in your interpersonal relationships as they arise, but it is important for you to be aware of this possibility, nonetheless.

For the safety of all our clients, their accompanying family members, and children, our office maintains a **zero-tolerance weapons policy**. PATIENT-PROVIDER SCREENING POLICY AGREEMENT

Prescribing of controlled medication, as defined by the DEA, is at the discretion of providers acting within the limits of their licensure and DEA classification, acting in the best interest of a patient's medical condition, and balancing the potential of short- and long-term risks of such prescribing to patients and community. Such prescription is performed within the limits of the law, oversight boards, and this policy. Prescribing providers and patients receiving controlled medications for defined prolonged periods of time will enter into a written binding agreement of understanding outlining conditions for prescription, risks, monitoring of utilization, and consequences of lack of compliance as stated in this agreement. This agreement directs that controlled medications will not be refilled by telephone, on the weekends, or by an on-call provider. Lost or stolen controlled medications or prescriptions from their medical provider or another provider will NOT be replaced. This agreement states that **the patient will:**

1. Be seen regularly, as scheduled, for medication management and refills. Failure to keep these appointments may result in the discontinuation of controlled medications.
2. NOT sell or share medications
3. NOT use other controlled or illegal substances*** while taking prescribed controlled medications.
4. Keep all appointments related to clinical issues necessitating controlled medication use, including appointments with specialists or therapists as agreed upon.
5. NOT engage in abusive or disrespectful behavior toward the provider or office staff members.
6. Provide random urine screens for drug monitoring tests, pregnancy tests (when applicable) and pill counts as requested. Failure to oblige may result in the discontinuation of the prescribing of controlled medications.

7. Notify the provider which pharmacy the prescription is to be filled.

Failure to comply with the terms of the Patient-Provider Screening Policy Agreement will be addressed with the patient and documented in their chart. The provider may use their discretion in determining the consequences of agreement in noncompliance. This determination may include, but not limited to, tapering and/or discontinuing the medications and/or terminating the relationship.

I, _____, have read and understand that my child, _____, or myself will be subject to random urine screens and pill counts at the providers discretion. I also understand that I must follow the controlled substance policy and all treatment recommendations to continue services at this clinic. I understand that I am responsible for the $25 payment of the drug screen fee and/or $8 pregnancy test fee before my appointment and that my insurance company will not be billed. I understand that if my child or myself is unwilling to follow this policy, I will not be seen by my provider and will be referred out of this clinic.
