- ☐ My child has been involved in an injury recently and needs to regain strength.
- ☐ My child is bullied for a physical limitation of theirs. _____

Occupational, Speech, and Physical therapy services require a referral (sometimes called a Doctor's Order) from a doctor. If you believe your child needs any of these services, please talk with them about getting a referral to Desoto Family Counseling & Pediatric Therapy Center, and we will be happy to get you scheduled for an evaluation.
